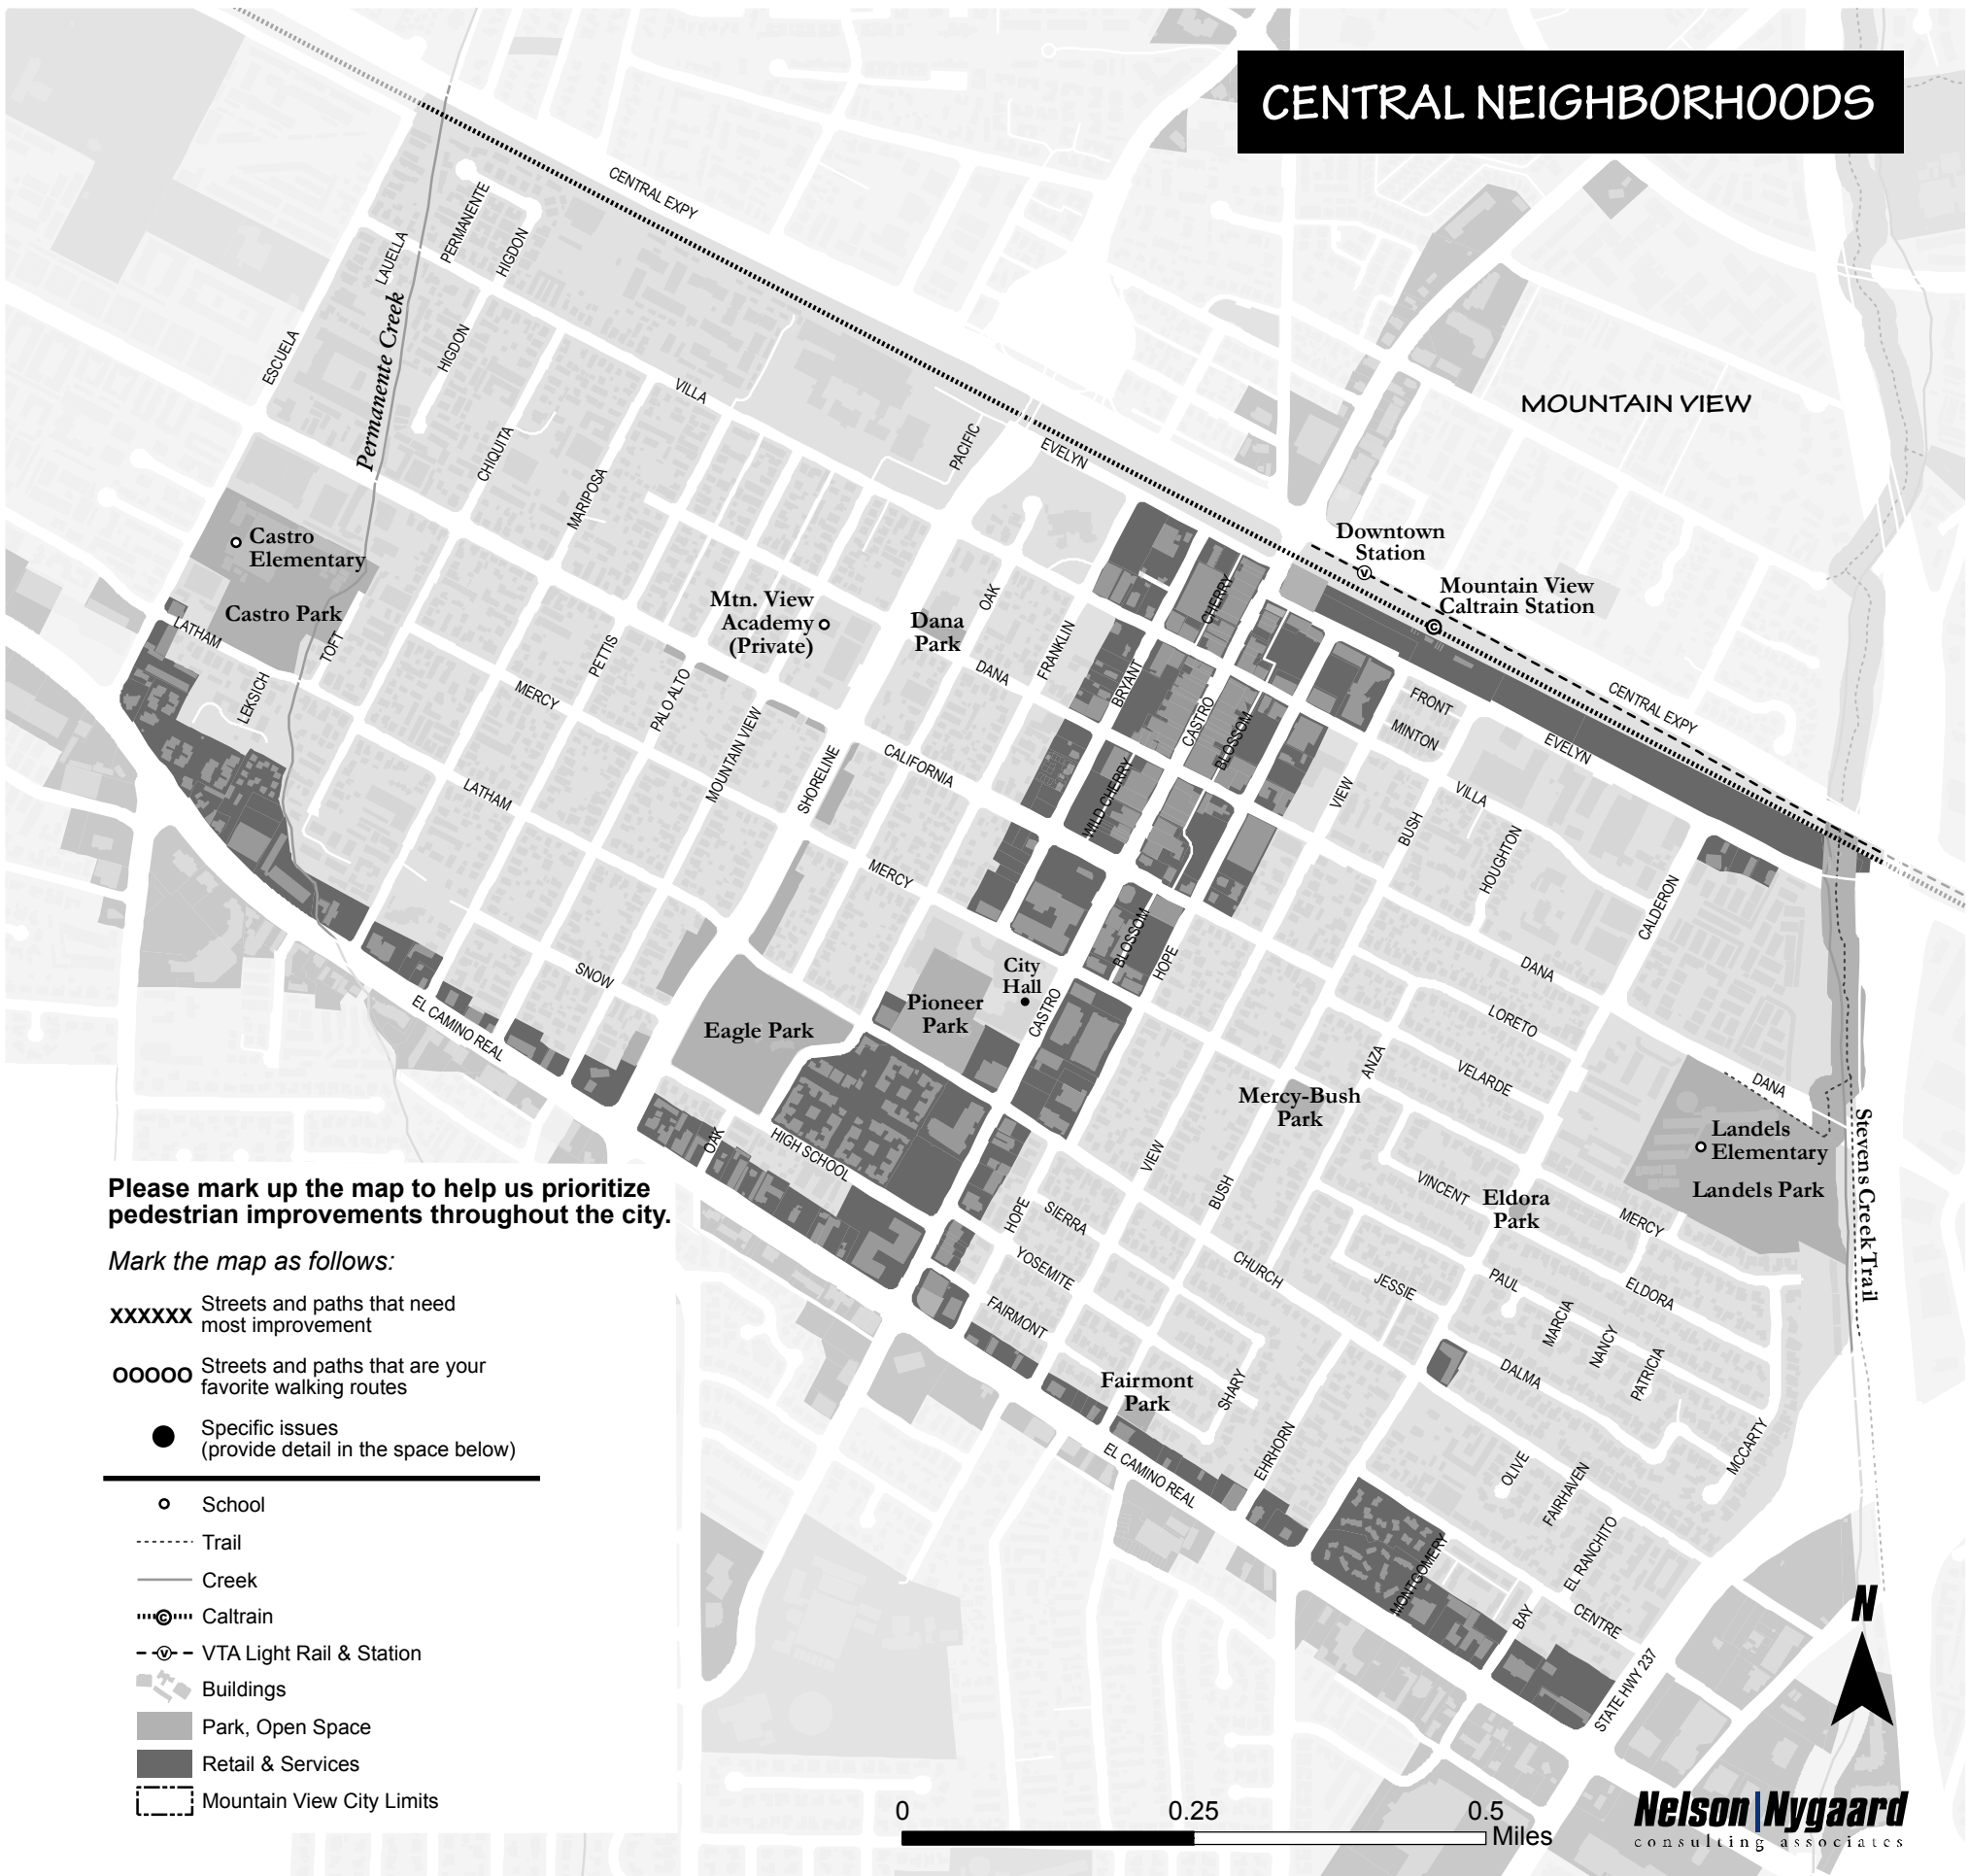
CENTRAL NEIGHBORHOODS



Please mark up the map to help us prioritize pedestrian improvements throughout the city.

Mark the map as follows:

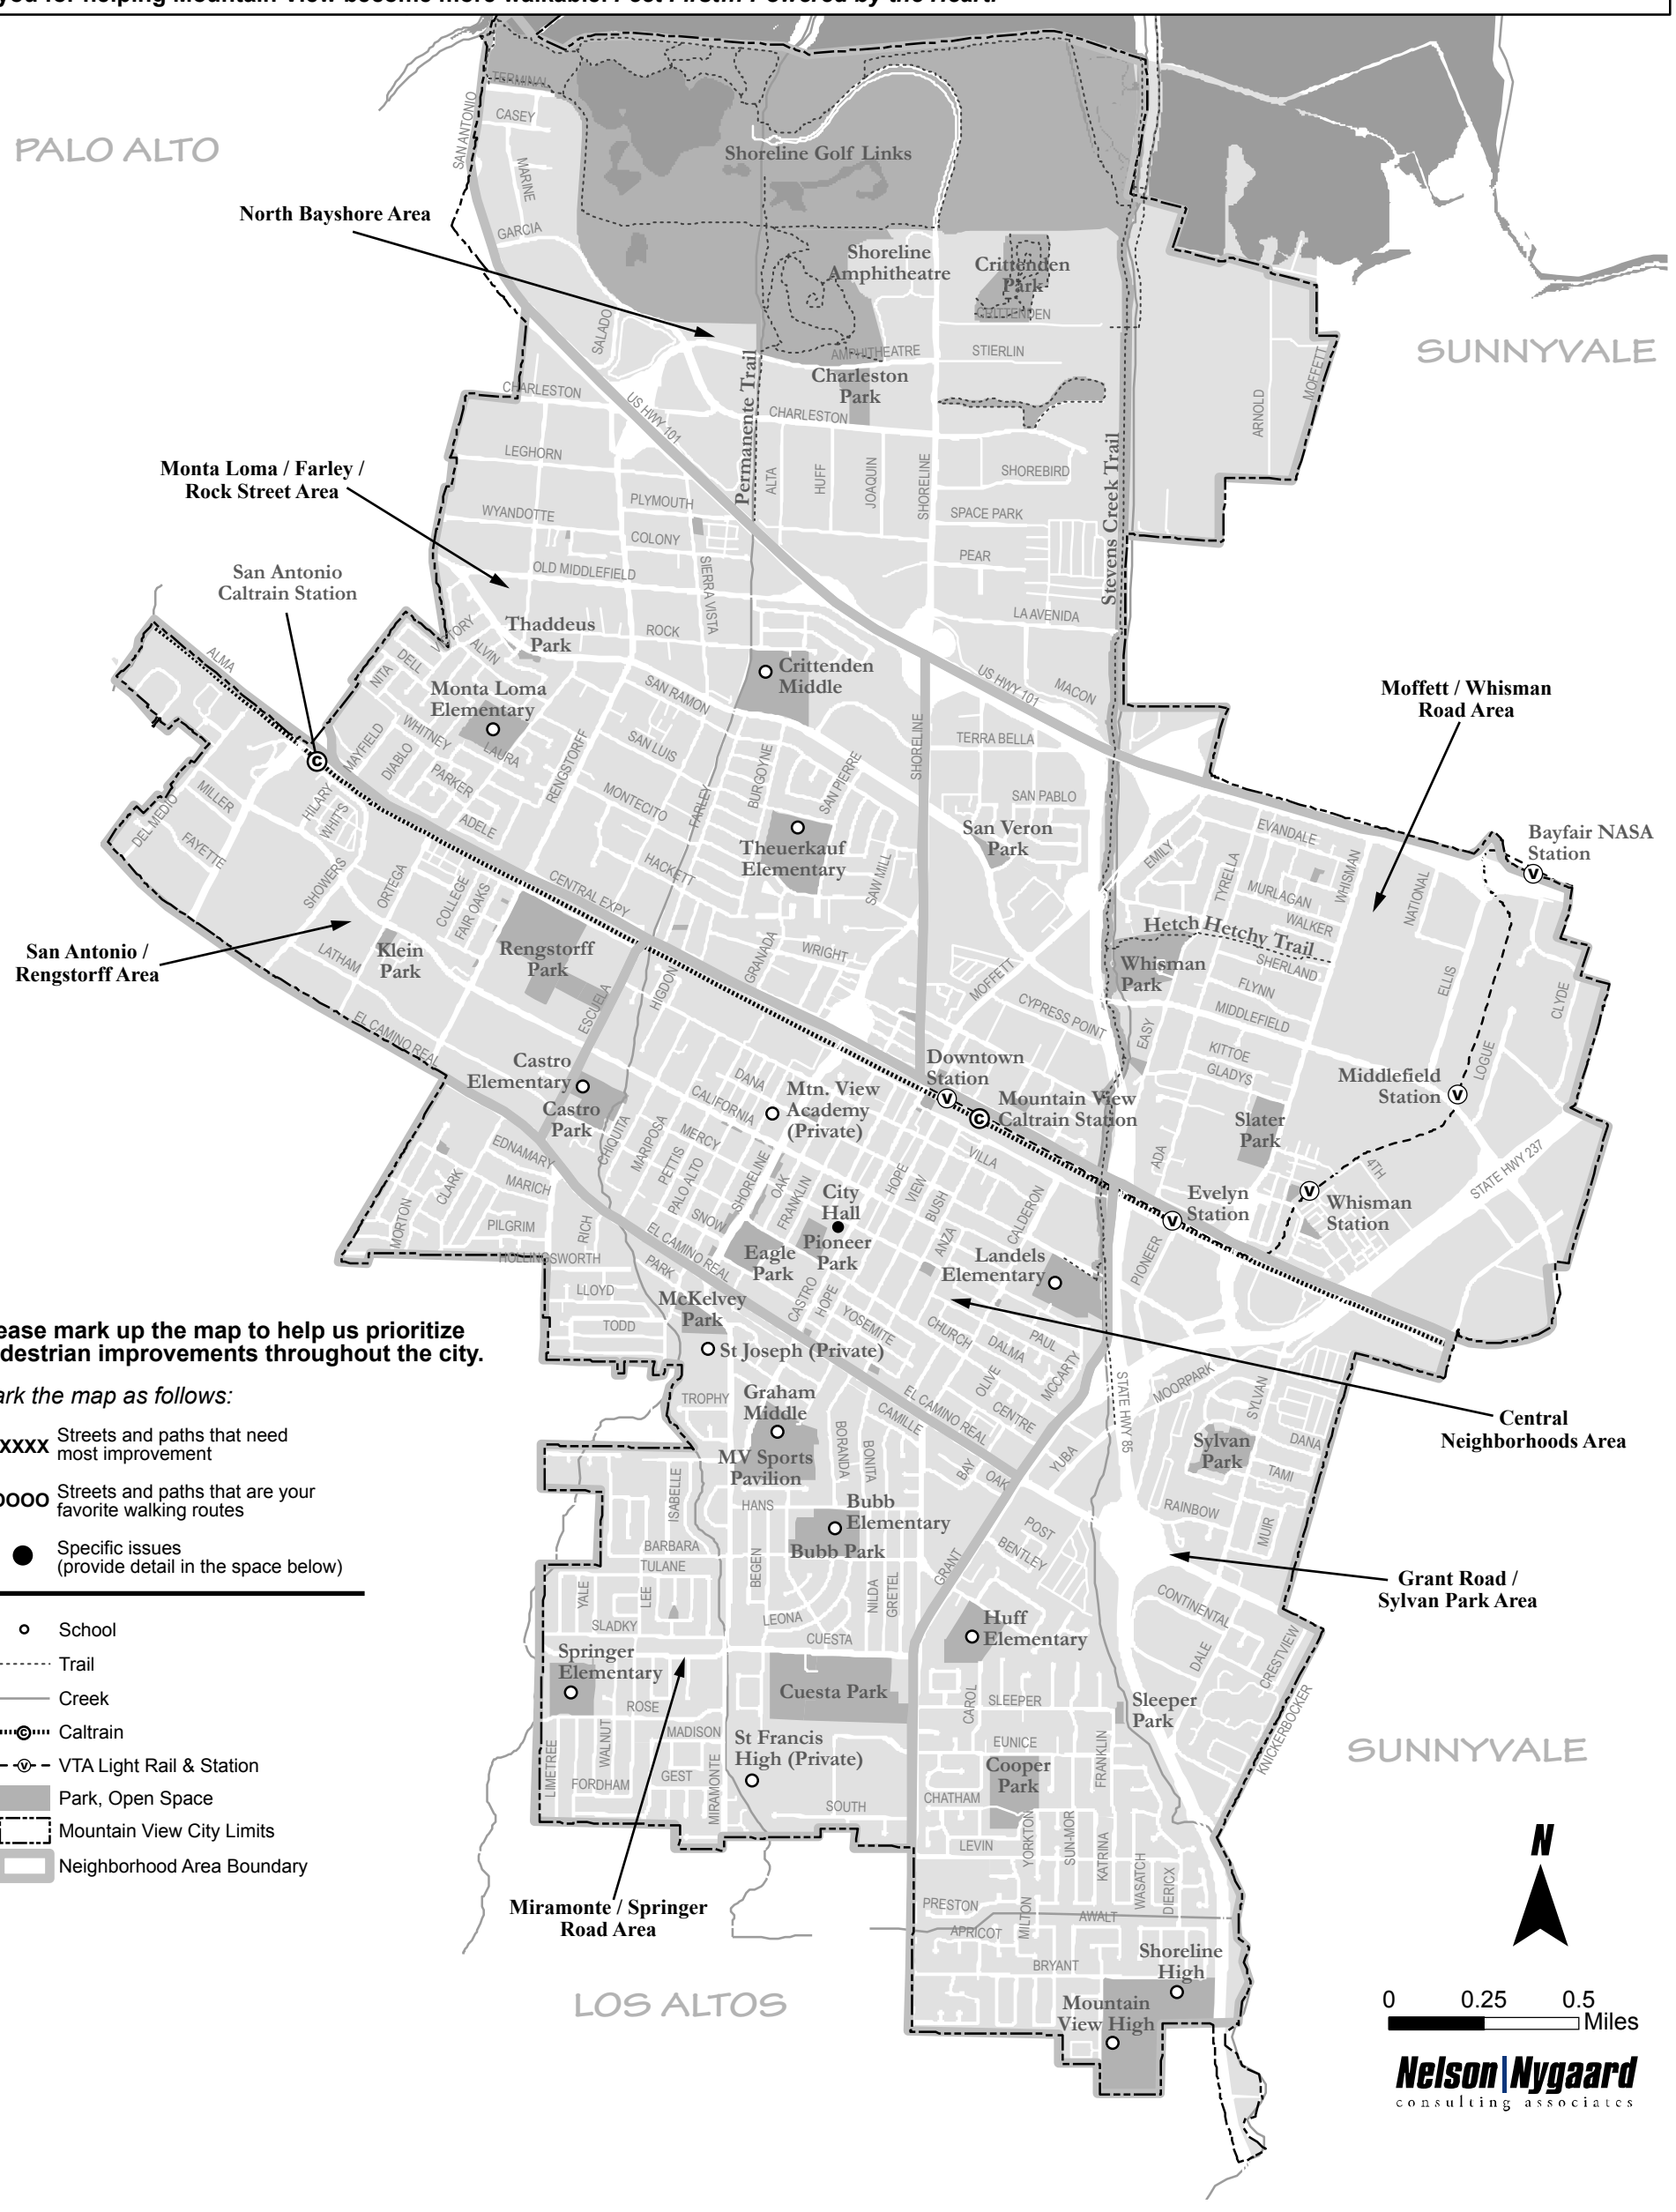
- **XXXXXX** Streets and paths that need most improvement
- **OOOOO** Streets and paths that are your favorite walking routes
- ● Specific issues (provide detail in the space below)

- School
- Trail
- Creek
- Caltrain
- VTA Light Rail & Station
- Buildings
- Park, Open Space
- Retail & Services
- Mountain View City Limits

In the space below, please tell us your priorities for pedestrian improvements in Central Neighborhoods.
For a citywide map and comments, please see reverse.

Thank you for helping Mountain View become more walkable. ***Feet First... Powered by the Heart!***

Please return to City Hall, 500 Castro Street, Post Office Box 7540, Mountain View, CA 94039, Attention: Helen Kim, Public Works.
You can also provide your most and least favorite routes and locations, as well as comments, on an interactive map at www.mountainview.gov/pedestrian, click on Pedestrian Master Plan.

In the space below, please tell us your priorities for pedestrian improvements in Mountain View.
Number them in priority order, with #1 being most important.


Thank you for helping Mountain View become more walkable. ***Feet First… Powered by the Heart!***
