**Letter from the
Community Services Department Director**

Summer's over... what!

Boy the summer months went fast. And for our staff, it was very busy. Summer camps were full of participants every week, lots of successful swim lessons, great times spent on the farm and everyday our parks were full with activities from sports to playground to picnics to walking the dogs. It was a great summer and hopefully you and your family participated in one of the above or one of the many special events enjoyed by so many at Thursday Night Live, Concerts on the Plaza, Movies in the Park or our 30th Annual 4th of July celebration. And, how about the great day celebrating our 25th Anniversary at the Center for Performing Arts.... Whew!

And now we move on to Fall. Look through this Activity Guide and find an activity or event for you and your family to partake in. We would love to have you join us.

Upcoming Projects:

Heritage Park located on 771 N. Rengstorff is under construction and looking forward to a late fall opening to the public. We are very excited about our newest 37th Mountain View public park. Keep an eye out for our Grand Opening.

The design for the remodel of our Community Center at 201 S. Rengstorff is also moving along. It is currently scheduled for closure mid to late 2017 with about a year's construction schedule. Our staff will be relocated to various City facilities, and the main registration area will move to our Senior Center during construction. Many of our programs will tentatively move to other facilities also. Information will be coming out on all the changes in November. Stay Tuned!

National Gold Medal Award

The City of Mountain View's Community Services Department was recently recognized as the National Recreation and Park Association's Gold Medal Finalist (1 of 4) in the nation for Excellence in Park and Recreation Management for cities 75,000-150,000 in population. One of the highest awards nationally in our field. A designation well deserved for such a great staff and hard work they do every day with your assistance to make Mountain View great.... Woohoo...

Thanks for a great summer; look forward to a fantastic fall. See you in the parks.

Cash • Check payable to **City of Mountain View**
Visa • MasterCard • American Express • Discover

Proof of Mountain View Residency • From time to time we may need to request proof of residency. Acceptable forms of proof include: Current California Driver's License or Identification, a recent utility bill, car registration, bank statement, or rental agreement on property management letterhead with a current address. Temporary DMV Change of Address cards, Post Office boxes, personal checks, letters, or flyers are not acceptable. The proof of residence must match the name and address on the registration form.

Class Attendance and Registration • You're excited and we're excited that you're ready to jump into an activity. Before you do, though, make sure you're already registered to participate. Registration does not happen in class, it happens either at the front desk of the Community Center or online. Please note that no refund or make-up classes will be issued for any missed activity.

Waitlist • Drats! You were this close to getting in! Your name will be placed on a waitlist if your first and alternate class choices are full. Once a spot becomes available, we'll go down the waitlist in the order our waitlist customers were added and if you're next, we'll get a hold of you. You will be given a 24-hour deadline to submit your Registration Form and payment. If your Registration Form and payment are not submitted by the given deadline, you will be removed from the waitlist and the next person on the list will be contacted.

Age/Birth Date • To register, participants must be within the required minimum and maximum age by the first day of class. All participants 17 years of age or younger must provide their date of birth. Proof of age may be requested.

- **Transfer** • Need to transfer from one activity to another? You may transfer to another activity as long as you meet the minimum age requirement, there is space available, and you send your written request three (3) business days before the first day of class. So that means if class starts on Monday, you have the Wednesday before to transfer. E-mail your transfer request to recreation@mountainview.gov. You will be assessed a \$10 processing fee per visit.
- **Withdrawal** • If you need to withdraw from an activity and receive a refund, e-mail us at recreation@mountainview.gov no less than five (5) business days before the first day of class. You may also submit a Withdrawal Request Form that you can download by visiting www.mountainview.gov/register. Just so we're on the same page, if your class starts on Monday, your last day to withdraw is the Monday before that class. You will be assessed a \$10 processing fee per visit.
- **Missed a class?** • Unfortunately, no refund or make-up classes will be issued for any missed activity.
- **Class already started but can I still join?** • Yes! We do not prorate any of the days that have already taken place, though. You just need to catch up with everyone else at the next class!

Late Pick-up • Parents and guardians arriving late to pick up their child from any recreation program will be assessed a \$6 fee per 15 minutes late. Participants receiving three (3) late pick-up fees will be removed from the specific program on the fourth late pick-up.

Behavior Violation • Participants receiving three (3) behavior violations will be removed from the specific program. A partial class refund may be granted at the discretion of the program supervisor.

Wait, what? You cancelled my activity?!

Classes not meeting minimum registration levels will be cancelled. RENGSTORFF HOUSE TOURS & RENTALS
www.mountainview.gov/rengstorffhouse

Shoreline at Mountain View is a 750-acre wildlife and recreation area on the City's northern edge. Bounded by development on all sides, its miles of walking, running, and biking trails; open meadows and scenic wetlands; and multiple recreational amenities provide local residents a respite from busy schedules.

Visitors have access to walking or biking on the Bay Trail, hiking on Vista Slope, or Crittenden Hill; boating and kayaking on Shoreline Lake; may dine at Lakeside Café or Michaels; or golfing at Shoreline Golf Links, all within Shoreline's boundaries.

Shoreline provides a unique opportunity to experience the historic Rengstorff House, one of the finest examples of Victorian Italianate architecture on the West Coast. Open Tuesdays, Wednesdays and Sundays for docent-led tours, the home also serves as a fine wedding and event venue on other days of the week.

After over 30 years in existence, Shoreline at Mountain View is still known as the place where wildlife, recreation, and history meet. Come see for yourself today!
