310 Easy Street, Mountain View, CA

Share your ideas to shape the future of East Whisman!

The City of Mountain View is hosting a public workshop to receive community input on the future of the East Whisman area.

Please join us to hear an overview of the East Whisman Precise Plan process and community input received to date. We are seeking your input on preferred locations and intensities of new development, character preferences for key locations in the plan area, and improvements in the area.

Residents, property owners, businesses, employees, and interested individuals are welcome to participate! For more information, visit the project website at <http://www.mountainview.gov/eastwhisman>

For questions, contact Lindsay Hagan at (650) 903-6306 or lindsay.hagan@mountainview.gov. This workshop will be filmed and posted online at a later date.
