2016 Extra SMaRT Day Voucher

For Mountain View Residents

THIS VOUCHER REPLACES ONE ON CALL PLUS CURBSIDE PICKUP (4' X 4' X 8' AREA) OF RESIDENTIAL WASTES.

Eligibility: The voucher may only be used for wastes generated from your primary residence in Mountain View. Types of residences include: homes (1-8 units), condominiums, townhouses, and mobilehomes. Apartments with 9 or more units are *not* eligible. The voucher may only be used by residents occupying the dwelling as their primary residence and for items originating from that dwelling.

Valid Dates: Good for one vehicle entrance any day of the week until December 31st (see hours next page). You may redeem more than one voucher on the same day, but a voucher is required for each entrance per vehicle. Vouchers may not be reused or transferred to another person. There is a one week grace period in January for vouchers issued the previous year.

Vehicles: Includes cars, vans, SUVs, or standard pickup trucks not exceeding "one ton", or single-axle household trailers. If you have a passenger car with a trailer, that counts as one vehicle. **ALL PICK UP TRUCKS AND TRAILERS MUST HAVE LOADS COVERED WITH A TARP OR A \$15 FEE IS CHARGED (new Sunnyvale Ordinance eff. 12/1/11).**

Instructions:

1. Bring this original, signed voucher together with proof of residency to the SMaRT Station, 301 Carl Road, Sunnyvale. Proof of residency can be a current driver's license, identification card or current utility bill where the address matches the voucher. Residents over 55 years of age, disabled or blind do not need to be in the vehicle.
2. Load your vehicle with items (see list below) from your primary residence. To prevent litter, cover loads with a tarp (required). Drive to the SMaRT Station® in Sunnyvale (see map on back). Follow signs for the "refuse trucks" and stop next to the small building "Scalehouse" on the ground scales.
3. Give the voucher to the Scalehouse attendant and show proof of residency. The attendant will weigh your vehicle, measure the load, and check for hazardous wastes (prohibited) before you can unload.
4. After unloading, you **MUST** return to the Scalehouse to be weighed again to track tons recycled.

Items Accepted at No Charge:

Household wastes not to exceed four (4) cubic yards (approx. 4'x4'x 8' area) in a vehicle described above.

- Garbage, junk, yard trimmings from your residence
- Bulky goods (furniture, mattress, sofa, washer, water heater; one refrigerator, freezer, air conditioner)
- E-waste (computer monitors and televisions)
- Landscape cleanup (limbs, tree stumps, bender board, plastic tarps, but *no* railroad ties)
- Construction and demolition (small projects) (cabinets, countertops, carpeting, drywall, flooring, tile, windows, toilets, sinks, pipes, fencing, sheds). **NO solar panels (use www.freecycle.org).**
- Tires (limit 4 tires from passenger-sized vehicles)
- Inerts (dirt, sod, concrete or asphalt)* - **1 cubic yard only**

* Caution: loads consisting of only these materials are extremely heavy and could damage your vehicle. Haul only small amounts, or contact Recology at 650-967-3034 for a "rock" box (only Recology may provide box service—no other hauler).

Items Accepted with Fee:

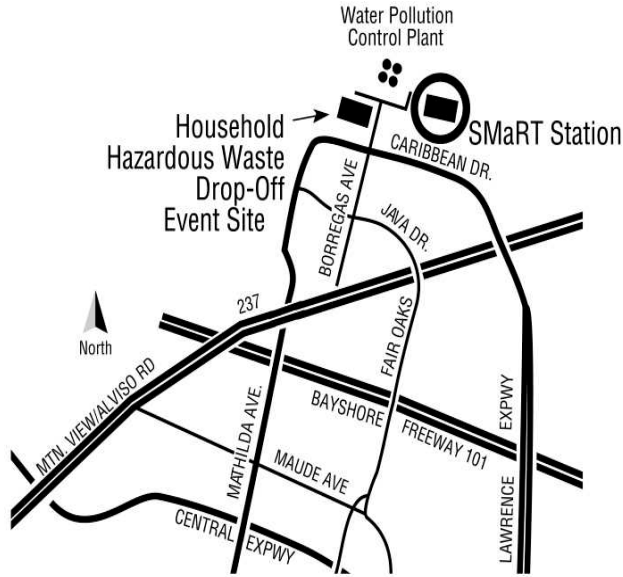

Loads *exceeding* 4 cubic yards (or additional vehicles without vouchers) may be accepted but fees apply. Call the SMaRT Station at 408-752-8530 or visit www.MVrecycle.org and click on SMaRT to verify fees.

No Hazardous Waste Allowed: Call the Santa Clara County Hazardous Waste Recycling & Disposal hotline at 408-299-7300 for a free appointment to dispose of paint, pesticides, pool chemicals, propane tanks, mercury thermometers, and items labeled flammable, toxic, corrosive or reactive.
