TO: Randy Tsuda, Community Development Director

FROM: Terry Blount, Assistant Community Development Director/Planning Manager

SUBJECT: April 2017 – Planning Division Update

The purpose of this memorandum is to inform you about the status of notable development projects and long-range planning efforts in the City. I understand that other parties interested in following development and policy changes in the community will likely use this memorandum, so I’ve also included the name of the project planner assigned to each project and the name of the applicant. Members of the public can click on the project planner’s name to email them directly or click on the project website if one is available to find out more about the project. Also included are symbols to let you know whether something is approved – ✔, and/or under construction – ✗. Changes to this month’s update are underlined. Finally, the projects are organized by General Plan Change Area and Neighborhood Planning Areas (see Attachment 1 – Map: Planning Division Update for the location of listed projects).

NORTH BAYSHORE CHANGE AREA

1. North Bayshore Precise Plan Update

On February 3, 2015, the City Council directed staff to amend the North Bayshore Precise Plan to include residential land uses. This Precise Plan update comes after the adoption of the North Bayshore Precise Plan in November 2014 and completion of the Bonus FAR application review in May 2015.

The North Bayshore Precise Plan Public Draft was released in November 2016. The Environmental Planning Commission (EPC) and City Council provided comments on the Public Draft at meetings in November.

- Status/Next Step(s): The North Bayshore Precise Plan EIR (Public Draft) is now available on the City’s Planning Division website. EPC and City Council meetings are scheduled in April to discuss North Bayshore transportation issues, in May to discuss affordable housing, and in June to consider adoption of the Plan.
