TO: Randy Tsuda, Community Development Director

FROM: Stephanie Williams, Acting Current Planning Manager/Zoning Administrator

SUBJECT: January 2018 – Planning Division Update

The purpose of this memorandum is to inform you about the status of notable development projects and long-range planning efforts in the City. I understand that other parties interested in following development and policy changes in the community will likely use this memorandum, so I’ve also included the name of the project planner assigned to each project and the name of the applicant. Members of the public can click on the project planner’s name to email them directly or click on the project website if one is available to find out more about the project. Also included are symbols to let you know whether something is approved – ✓, and/or under construction – ⚽, and the projects are organized by General Plan Change Area and Neighborhood Planning Areas (see Attachment 1 – Map: Planning Division Update for the location of listed projects).

NORTH BAYSHORE CHANGE AREA

1. North Bayshore Precise Plan Update
   On February 3, 2015, the City Council directed staff to amend the North Bayshore Precise Plan to include residential land uses. This Precise Plan update comes after the adoption of the North Bayshore Precise Plan in November 2014 and completion of the Bonus FAR application review in May 2015.

   The North Bayshore Precise Plan Public Draft was released in November 2016. The Environmental Planning Commission (EPC) recommended adoption of the Precise Plan to the City Council on November 15, 2017. On December 12, 2017 the City Council adopted the Plan and certified the Environmental Impact Report (EIR).

   • Status/Next Step(s): The final Precise Plan will be publicly available in late January.
2. North Bayshore Trip Cap Report
The City’s 2017 Trip Cap Report was submitted to the City Council on June 6, 2017 and is available on the City’s website.

- Status/Next Step(s): New counts were taken in Fall 2017. A mid-year report will be available in early 2018 and the 2018 Annual Report will be presented to the City Council in June 2018.

On March 8, 2017 the City Council approved a Planned Community Permit and Development Review Permit for a 595,000 square foot, two-story, office building under a canopy structure and a Heritage Tree Removal Permit on a vacant 18.6 acre project site.
