Do you have things that you like, but no longer work?

Don't toss them, repair them!

Have volunteers assess and fix (or help you fix) your things instead of tossing them into the landfill. Repair Café Mountain View is a volunteer-run, community service dedicated to encouraging the repair and reuse of goods, rather than relegating them to landfill. At the event our volunteers can guide you to tackle the repair yourself or they can fix it while you watch and wait. Chances are you'll leave with a once-again useful item and some knowledge of how to repair this item and maybe others.

What to bring:

- Small household appliances: toasters, hair dryers, mixers, vacuums, etc.
- Various electronics: computers games, tools and other devices, etc.
- Toys, furniture, luggage, kitchen items, etc.
- Bikes, clothing and other sewing projects, jewelry, etc.
