

## INSTRUCTIONS FOR COMPLETING TENANT PETITION B: DOWNWARD RENT ADJUSTMENT - FAILURE TO MAINTAIN HABITABLE PREMISES OR DECREASE IN HOUSING SERVICES OR MAINTENANCE UNDER THE CSFRA

The Community Stabilization and Fair Rent Act (“CSFRA”) of the City of Mountain View Section applies to multifamily rental properties, built before February 1, 1995. The CSFRA regulates rent increases and decreases. Tenants living in a unit covered by the CSFRA have a right to petition for an “individual” downward rent adjustment based on any of the following reasons: (1) payment in excess of lawful rent; (2) failure to maintain habitable premises and/or (3) decrease in housing services or maintenance in accordance with the CSFRA, and implementing regulations adopted by the Rental Housing Committee.

Tenants who are considering filing a petition are advised to carefully review the applicable sections in the CSFRA and the Regulations before filing a petition. **All forms for filing a petition, as well as the CSFRA and the Regulations, are posted on [www.mountainview.gov/rentstabilization](http://www.mountainview.gov/rentstabilization).**

**Please note two separate petition forms are used for a Tenant’s Individual Downward Adjustment of Rent. A tenant may file either one or both of these petition forms, depending on the reason for filing the petition:**

1. Petition A: Payment in excess of lawful rent
2. Petition B: Failure to maintain habitable premises and/or decrease in housing services or maintenance

### **HOW TO COMPLETE THE PETITION**

- Complete the entire *Petition Packet*, including the *Petition Form* and provide all documentation requested;
- Be sure to check that you have:
  - ✓ Decided whether to designate a representative and completed the separate *Representative Authorization Form* if applicable;
  - ✓ Attached your documentation to support your claims as specified in the *Petition Form*, and identified any unavailable documents in the applicable section of the *Petition Form*;
  - ✓ Provided the names and identifying information for witnesses you intend to call at the hearing in the applicable section of the *Petition Form*;
  - ✓ Signed the *Declaration* in the *Petition Form*; and
  - ✓ Attached a copy of the *Notice of Submission and Proof of Service to Landlord of a Petition Requesting Downward Adjustment of Rent*.

## **HOW TO FILE THE PETITION**

- If desired, you may schedule an *optional and informal* preliminary meeting with a CSFRA program administrator prior to formally serving the petition to the landlord and filing the petition with the City; this preliminary meeting provides an opportunity for CSFRA staff to offer feedback regarding missing worksheets and documentation and clarify questions that you may have before filing the petition.
- Once the packet is ready, prepare the petition for filing with the City and serving on the landlord:
- *For serving on landlords:*
  - Complete the *Tenant Notice of Submission and Proof of Service to Landlord of a Petition Requesting Downward Adjustment of Rent* form and attach it as the cover of the *Petition* that you serve on the landlord of the affected units;
  - Serve a copy of the entire *Petition* with the *Notice of Submission and Proof of Service to Landlord of a Petition Requesting Downward Adjustment of Rent* form on the cover, at the address of lessor in Rental Agreement, if any, or at the address of an authorized property manager, or any other person entitled to receive rent, if any, or at the address where rent is typically delivered;
- *For filing with the City:*
  - Once you have served the petition on the landlord, submit two (2) **un-redacted** copies of the *Petition Packet (including all evidentiary documentation)* to the City of Mountain View with copies of the *Notice of Submission and Proof of Service to Landlord of a Petition Requesting Downward Adjustment of Rent* to:

City of Mountain View, Rental Housing Committee  
500 Castro Street  
Mountain View, CA 94041

## **THE FORMAL PETITION PROCESS**

A program administrator will closely evaluate each petition packet to make sure it meets the submission requirements of the CSFRA and Regulations. If the petition is deemed to be insufficient, the petitioner will be given an opportunity to supplement or revise the petition. A petition will only be considered properly filed when it has been submitted in substantially completed form with all material information necessary to be able to reach a decision on the petition.

## **AFTER THE PETITION HAS BEEN ACCEPTED**

Once the petition is formally accepted, the Mountain View Rental Housing Helpline will contact you to discuss the next stage of the petition and hearing process outlined by Chapters 4 and 5 of the CSFRA Regulations, including scheduling a settlement conference, if that option was elected. The City of Mountain View will have redacted copies of the complete petition (*including all evidentiary documentation*) available for review by interested parties. Personal information (i.e. phone numbers, social security numbers, dates of birth) will be redacted. The redacted copies (*including all evidentiary documentation*) are a public record and subject to the California Public Records Act (Government Code Section 6250, et seq.).

If all parties agree, a settlement conference will be scheduled and a notice of the conference date will be sent to all parties.

If no settlement conference is requested, or if the settlement conference is not successful, a hearing before a Hearing Officer will be scheduled. The hearing will be conducted in accordance with the CSFRA, its Rules and Regulations, and the directions set forth by the Hearing Officer. Parties affected by the petition may file a Response Notice. All parties have a right to participate in the hearing, and to designate an attorney representative, or any other person or organization they choose as a representative. Once the formal hearing

has concluded, the Hearing Officer will issue a written decision determining whether the adjustment should be granted.

A Hearing Officer's decision may be appealed to the Rental Housing Committee. The appeal must be filed within ten (10) days of the mailing date of decision by the Hearing Officer. If a Hearing Officer's decision is not appealed within this timeframe, it automatically becomes the final decision for this petition.
