SimplyE — The Library eReader App

all your eBooks in one place

an open-source app to consolidate your eBook collection

Available for:

Available on the **App Store**

GET IT ON **Google Play**

1 Download the **SimplyE** app from the app store on your smart phone or tablet.

Select **Find Your Library** and pick Mountain View Public Library.

2 Titles are displayed by genre, click **More...** to find more specific genres.

You can also **search** for a specific title by clicking on the magnifying glass and typing in your title/author/keyword.

3 To borrow a title, click on the cover and then click the **Get** button.

Enter your Library card number and PIN. After logging-in, your Library card information will be saved for you.

Once the book is downloaded, click **Read** to start your book.

4 Books checked out will be available under **My Books**.

Holds will be found under **Reservations**.

To change your Library card information or to add another Library account, visit **Settings**.

5 Use the menu button in the top left to switch between Library accounts and collections.
The **SimplyE Collection** offers thousands of classic and modern titles that are immediately available without a library card.

FAQs

1 What is SimplyE?

SimplyE is a library-developed, open source eReader and eBook discovery app that simplifies the library user's experience in finding, borrowing and reading library eBooks.

2 What books are available through SimplyE?

SimplyE combines eBooks from different platforms that are available through the Library. Currently, this includes eBooks on OverDrive and the SimplyE Collection which offers thousands of classic and modern titles that are always available without a library card.

3 Why use SimplyE?

If you have Library cards with other Library systems, SimplyE may simplify the search for titles and provide access to eBooks across different platforms through one single app.

4 Are eAudiobooks available through SimplyE?

At this time, eAudiobooks from OverDrive are not available through the SimplyE app.

5 What devices are compatible with SimplyE?

Apple devices running iOS 8 and higher and Android devices running 4.4 KitKat and higher are compatible with SimplyE.
