

Development Update – October 2019

This development update provides information on *notable* development projects and long-range planning efforts lead by the Planning Division. It is updated every two months and is organized by long range/policy planning projects, development projects which are under review and have not been approved, development projects which have been approved, and development projects which are under construction. You can click on the project planner's name to email them directly with inquiries about a specific project or click on the project website, if available, to find out more about the project. Staff reports, plans, and other project-related documents for projects that have been approved or are under construction can be found on the City's website@ [City Documents](#). A map is also included at the end of the document which shows the location of each project within the City.

Long-Range/Policy Projects

1. East Whisman Precise Plan

On June 23, 2015, the City Council accepted a VTA grant to develop a new Precise Plan in East Whisman. The Plan will include policy, standards, and guidelines for new residential, office, and mixed-use development. It will also include new open space and circulation plans for the area. A public draft Precise Plan was released in April 2019 and a Draft Environmental Impact Report (EIR) was released in June 2019.

- Status/Next Step(s): Environmental Planning Commission (EPC) and City Council Public Hearings to consider adoption of the Precise Plan are tentatively scheduled for October 2, 2019 and November 5, 2019, respectively.

2. Shenandoah Square Precise Plan

Annexation of an approximately 17-acre parcel to allow multi-family residential redevelopment; a General Plan Amendment from Medium-Low Density Residential to a designation to be determined; a Zoning Map Amendment from PRE-PF (Public Facilities) to P (Precise Plan); and a new Precise Plan to regulate future development activities on the

site. This project is located at the northwest corner of Moffett Boulevard and West Middlefield Road in the PRE-PF (Public Facilities) district.

- Status/Next Step(s): A Council Study Session for the new Precise Plan was held on November 29, 2016 to provide initial input on key topics. Work on the new Precise Plan is on hold pending authorization to proceed from the applicant.
- Project Planner: [Rebecca Shapiro](#)

3. Gateway Master Plan

On May 7, 2019, the City Council authorized a Scope of Work and Contract to develop a Gateway Master Plan for the approximate 30-acre area at Shoreline Boulevard/Highway 101 in the North Bayshore Precise Plan area.

- Status/Next Step(s): Study Sessions with the Environmental Planning Commission and City Council are tentatively scheduled for October 15, 2019 and November 5, 2019, respectively.
- Project Planner: [Martin Alkire](#)

4. Terra Bella Visioning

The City is developing a Visioning and Guiding Principles Plan for the Terra Bella area to define a vision for future change in the area. The plan will include development principles which will guide review of future development in the area. The Visioning Plan will take approximately 12 months and will include a series of community workshops, public meetings, and hearings. Two community workshops were held in June and August 2018.

- Status/Next Step(s): The Draft Visioning Plan is tentatively scheduled to go to Environmental Planning Commission and City Council Public Hearings for consideration of endorsement on October 23, 2019 and November 18, 2019, respectively.
- Project Planner: [Diana Pancholi](#)
- Webpage: [Terra Bella Visioning](#)

5. Cannabis Regulations

On May 23, 2019, the City Council adopted amendments to the cannabis business regulations. The cannabis business regulations allow a maximum of three non-storefront retail cannabis businesses in Mountain View.

- Status/Next Step(s): The cannabis business application process for Phase 1 is September 9 – November 8, 2019. Three businesses have been authorized to submit during this phase.
- Project Planner: Brittany Whitehall
- Webpage: [Cannabis Regulations](#)

6. Downtown Precise Plan

On June 25, 2019, the City Council authorized city staff to prepare a Scope of Work for a consultant team to analyze potential revisions to sub-areas A, G, and H in the Downtown Precise Plan regarding design guidelines, feasibility of a historic district overlay, and minimal ground-floor land use changes. Once the scope of work is authorized by Council, the process is anticipated to take 18 months and include public outreach, environmental review, and Study Sessions with EPC and City Council.

- Status/Next Step(s): Staff is preparing the scope of work and anticipates returning to City Council for authorization in Late 2019/Early 2020.
