

## **Signalized Intersections adjusted to Pedestrian Recall**

City staff has identified 23 signalized intersections with heavy pedestrian activity to be adjusted to “pedestrian recall” (which means that the pedestrian phase is triggered automatically without pushing the button). The City’s signal maintenance contractor has adjusted those intersections to pedestrian recall between the hours of 6 a.m. and 10 p.m.

The adjusted signals are located at the following intersections:

- **Castro Street** at Church, Mercy, California, Dana, and Villa streets
- **Evelyn Avenue** at Hope and Bush streets
- **Dana Street** at Calderon Avenue
- **Shoreline Boulevard** at Montecito Avenue
- **California Street** at San Antonio Road, Pacchetti Way, Showers Drive, Ortega Ave, Rengstorff Ave, Escuela Ave and Mariposa Avenue
- **Rengstorff Avenue** at Latham Street and Stanford Avenue
- **San Antonio Road** at Fayette Drive
- **Grant Road** at North Drive/Eunice Avenue and Bentley Square
- **Cuesta Drive** at Miramonte Avenue and Montalto Drive
