

## Mountain View Recycling Center CRV Buyback Reopening July 14<sup>th</sup>

The Buyback Center at the Mountain View Recycling Center (935 Terra Bella Avenue) will reopen to the public on Tuesday July 14<sup>th</sup>. The Buyback Center will be open **by appointment only** from 12:00 pm to 4:00 pm Tuesday through Friday and 9:00 am to 4:00 pm on Saturdays. Appointments will be made in 15 minute increments.

Customers must make an appointment at [www.recologymountainview.com](http://www.recologymountainview.com) or call (650) 967-3034 to schedule a 15-minute time slot to exchange their CRV material for cash. Only one customer will be allowed per time slot, so please arrive near the beginning of your time slot to allow RMV the proper time to inspect, weigh, and payout your redemption.

### **Please follow the below procedure for your appointment:**

- Recology will accept a maximum of four (4)-32 gallon bags of CRV material per customer transaction. *Material must be sorted prior to arrival.*
- Check in with the driveway attendant and give your name. The attendant will direct you to proceed to the area for redemption. If you arrive early, you will be asked to wait in your vehicle.
- Once checked in, take your CRV material into the CRV sort area and empty the material into the CRV sorting barrels. When you finish unloading your material, the attendant will take the barrels and weigh the material.
- Once all the material is weighed the attendant will place a receipt along with the cash payout on a tray that will be placed on a table for you to take. The attendant will disinfect the tray, table, and baskets before using them again.

When visiting the Recycling Center, please adhere to the social distancing guidelines in place for the safety of Recology employees and the public. Face coverings are required for all visitors and employees.
