

Guidelines for use of Air Jumpers at the Historic Adobe

A rental permit is required to use an enclosed air jumper at the Historic Adobe Building. You may have one air jumper in the designated areas, **provided permission has been granted at the time of your reservation.**

1. Air Jumpers must be rented from a company that carries a minimum of \$1,000,000 commercial general liability insurance.
2. You must provide adult supervision of the air jumper at all times.
3. Enclosed jumpers require electricity to operate. They may not be plugged into electrical outlets, but must be powered by a generator. All portable generators must be either diesel powered or smaller than “Honda EU” portable gas generators. All generators must be accompanied by at least one charged and working Fire Extinguisher located within 75 feet of the generator.
4. The rental company must install and pick up the jumper during the renter’s permitted time.
5. Air jumpers cannot be used if it has rained during the previous 3 days, regardless if permission was granted during the time of reservation.
6. In case of emergency or injury, call 911.
7. The following are air jumpers that are allowed in the designated areas. If you wish to rent something that is not listed below, please contact the Reservation's office at 650-903-6407 to see if it meets our guidelines.
 - a. All Standard inflatable Jump Houses that measure 16’W x 16’W x 20’ H or less
 - b. Disney or other themed inflatable Jump Houses that measure 20’W x 20’W x 20’H or less
 - c. Inflatable Rock Climbers and/or slides measuring 20’W x 25’W x 18’H or smaller
 - d. Inflatable Twister
 - e. Gladiator Joust
 - f. Bungee 1st down
 - g. Inflatable hoops
8. The City takes no responsibility for the air jumpers. The contract is between the user and the vendor. Use at your own risk.
